

Basic Sew Supplies  
 Sewing Machine  
 Square (at least 6") ruler  
 Rectangle (at least 4" x 6") ruler

## Fabric Requirements:

**Background Fabric:** (5 yards) (Can be scrappy)

**Green** (1/2 yard) (For stems on roses)

**Rosebud/Border** (1-5/8 yard)

**Colored Fabrics** (Scraps – some time will be spent on transparency. Bring several fabrics in the each colorway; bring at least 6 colorways.) Example: Bring a couple of light, medium and darks of six different colors. Small prints or tone on tones work great. Do not cut your squares. To give you an idea of how much fabric you need, for each block you will be cutting 2 – 2-3/4" squares of the light & medium fabrics and 6 – 2-3/4" squares for the darker fabric. You will make 18 blocks, plus you'll need some of these same fabrics for the four patch border.

**Binding** (3/4 yard)

**BRING THE REMAINDER OF YOUR FABRICS TO CLASS. WE MAY NOT NEED THEM BUT . . WE MAY!**

## Before the class:

1. Make 40 half square triangles using the background fabric and rosebud fabric (where I used pink). The half square triangles will be 1-1/2" finished – 2" unfinished. Use your favorite method for making these. You will need a total of 168 half square triangles but for the class, 40 will be sufficient. Make more if you wish! ☺
2. Bring plenty of light, medium and dark tone on tone or small print fabrics. These can be strips at least 2-3/4" wide, fat quarters, quarter yards . . whatever you have on hand already.
3. Cut the following. Label with the letter shown.

### Background Fabric:

Cut 2 – 2-3/8" strips. Cut them into 32 – 2-3/8" squares. **From any remaining leftovers, cut 2 more 2-3/8" squares so you have a total of 34 – 2-3/8" squares. Cut on the diagonal once to have 68 triangles. (D)**

Cut 8 – 2-3/4" strips. Cut these into 108 – 2-3/4" squares.

Cut 5 – 5-3/8" strips. Cut them into 34 – 5-3/8" squares. Cut these in half diagonally once to have 68 triangles. (E)

Cut 2 – 2" strips. Cut them into 4 – 2" x 20" rectangles

Cut 2 – 2" strips. Cut them into 8 – 2" x 9-1/2" rectangles

Cut 12 – 2-1/2" strips for pieced border

### Green:

Cut 4 – 3-7/8" strips. Cut them into 34 – 3-7/8" squares. Cut them in half diagonally once so that you have 68 triangles.
