Basic Sewing Supplies needed for sewing

1/4" foot or know ahead of time how to get a 1/4" seam allowance on the machine you'll be using
A ruler with a 45° line. Any of your cutting rulers should have a 45° line.

Pencil (chalk or #2 – whatever shows up best on your background **and** four main colored fabrics.

These **fabric requirements** are pretty exact. If you're like me, and want to add a little for fluff . . . just in case the worst thing happens, add a little to these amounts.

Background (where I used white) - 3-5/8 yards

Border (where I used purple) - 2-1/2 yards (This includes all the dark purple used in the quilt.)

Accent (where I used black) - 3 yards

Four colors (where I used green, pink, aqua and lavender) - 3/4 yard each

Gold - 1/2 yard **NOTE:** If you want to add gold to the pieced border, you'll need an extra 9-1/4" square (just one square will give you four gold sections for your border. You will have enough of the colored fabrics that you don't need gold unless you just want it in there.
