

Topsy Turvy Nine Patch – Size 60” x 78”

Workshop Info:

Fabric Requirements:

35 – nine patch blocks, made from 2” strips.
These blocks will measure 5” unfinished/4-1/2” finished.

Background Fabric – 2-5/8 yards

Dark Fabric, including borders – 3 yards

Binding – 5/8 yards

Please make your nine patches ahead of time and bring them to class. Cut out the items marked with an * and bring those to class. We probably will not get to the borders in class.

Items (C) and (D) will be used for making half square triangles. I make my half square triangles by cutting them 1” larger and trimming them down to size. These need to be 3-1/2” unfinished. You can make yours using any method you choose . . . just so you end up with 35 half square triangles that are 3-1/2” unfinished / 3” finished.

Using 2” strips, make 35 nine patch blocks. These will be 4-1/2” finished / 5” unfinished. Bring these to class and we’ll be able to make a whole lot more progress on the top.
